10 v.
11 R.F. WEICHERT V, INC.,
12 Defendant.

Case No. 20-cv-00354-VKD

**ORDER STRIKING "NOTICE OF
FILING SECOND AMENDED
COMPLAINT WITH EXPLANATORY
NOTES"**

Re: Dkt. No. 43

13
14 On November 2, 2021 the Court granted in part and denied in part what it construed as Mr.
15 Strojnik's motion for leave to file a supplemental complaint. *See* Dkt. Nos. 39, 40. On November
16 9, 2021, Mr. Strojnik filed a Second Amended Complaint (Dkt. No. 44), along with a "Notice of
17 Filing Second Amended Complaint with Explanatory Notes" (Dkt. No. 43).

18 The Court's November 9, 2021 order authorized only the filing of portions of Mr.
19 Strojnik's previously proposed Second Amended Complaint. It appears that the sole purpose of
20 his "Notice of Filing Second Amended Complaint with Explanatory Notes" is to modify, amend,
21 or supplement the Second Amended Complaint, beyond what was permitted by the Court's
22 November 9, 2021 order. Mr. Strojnik's "Notice of Filing Second Amended Complaint with
23 Explanatory Notes" therefore is stricken.

24 **IT IS SO ORDERED.**

25 Dated: November 10, 2021
